

Stepped in as an emergency to judge the Bengals, then went back to my usual spot on top table; first time putting on my white coat since Covid as have now gone on Emeritus list, but fun for a day (not tempted back to judging though!) Thank you Annette Howard for stewarding for me – also went back to her usual place on top table!

Brown (Black) Spotted Bengal Kitten

1 BOB FLEMING'S EDENGARDENS QUEENA OF LYNAVIDS (BEN n 24, F, 30/11/2023)

Pretty young girl with head a shade short and broad, wearing her slightly large kitten ears which hopefully she will grow into. Well set almond shaped eyes, Strong muzzle line with broad straight nose, slight profile dip, definite whisker pads, firm chin and level bite. Lithe muscular body in excellent condition for her age, dense plushy luxurious coat with well defined spots and rosettes over a cool rufus base colour, glitter developing nicely to ground colour.

Brown (Black) Spotted Bengal Neuter

1 PC BOB SENKEVIC'S SOULAMBER WINSTON (BEN n 24, MN, 29/04/2023)

Mature boy for his age with a firm muscular body in excellent condition. Balanced 'bengal' head, being slightly small in proportion to the body, slightly longer than wide with medium rounded ears well set. High cheeks, broad straight nose, strong muzzle line with broad straight nose, slight dip in the profile and well defined whisker pads. Eyes of good almond shape and well set. Firm sleek body of excellent size and weight with strong legs, large round feet and a thick tapered tail. Coat texture is excellent being thick and luxurious with good definition to the spots and rosettes lovely glitter showing when the sun shone on him
